1 - Required documents for the applications

The following additional documents must be submitted with the signed application:

For certificates with organization entry

- Identity check and authenticated copy of the applicant's identity document (colour copy) (according to 2 Identity Check)
- Confirmation of the certificate application by a company representative (persons authorized to sign, according to paragraph Company Representative)
- Current excerpt from the commercial register or similar official document that officially confirms the existence of the organisation

For private persons (without organization entry)

• Identity check and authenticated copy of the applicant's identity document (colour copy) (according to 2 - Identity Check)

2 - Identity Check

Go in person to one of the identity verification checkpoints listed below to have your identity confirmed.

Identity Checkpoints

- QuoVadis Office St. Gallen
- Selected SBB Change / Western Union counter (SBB customer identification)
- Swiss Post (yellow identification)
- Company internal verification centre

(only possible with a corresponding agreement between the organization and QuoVadis)

The identity check requires the following documents:

Passport or identity card authorizing entry into Switzerland.

No driver's licenses or residence permits can be accepted

A clearly legible colour copy of the official identity document is made and signed at the identity verification office. The **identity card** must be copied on **both sides**. The identity verification office may charge a fee for the identity check.
