3 – Online identification

Within approx. 5 working days after we receive the documents, you (applicant) will receive an e-mail invitation to perform an online identification. The E-Mail has the sender "no-reply@digicert.com" and the subject "Verify your Identify with AutoIdent". If you do not receive it within 10 working days, please check your spam folder and inform us if it is not received (qv.register.ch@digicert.com).

Please have your valid passport or ID card ready and follow the instructions in the mail. The online identification takes about 3 minutes and can be done at any time, 24h during 7 days.

After successfully completing the online identification, the issuance process takes place based on the selected product. You will be informed by E-Mail about the deployment (and commissioning) of the product (usually within 5 working days after completion of the online identification).
