## 1 – Required documents for the applications

The following additional documents must be submitted with the signed application:

### For certificates with organization entry

- Identity check and authenticated copy of the applicant's identity document (colour copy) (according to 2 - Identity Check)
- Confirmation of the certificate application by a company representative (persons authorized to sign, according to paragraph Company Representative)
- Current excerpt from the commercial register or similar official document that officially confirms the existence of the organisation

### For private persons (without organization entry)

- Identity check and authenticated copy of the applicant's identity document (colour copy) (according to 2 - Identity Check)

## 2 – Identity check

The identity check consists of the following two steps:

**Step 1:** Personal identification at an approved identity checkpoints

**Step 2:** Online identification using a smartphone app

### Step 1: Identity checkpoints

Go in person to one of the identity checkpoints listed below to have your identity confirmed.

- QuoVadis Office St. Gallen
- Selected SBB Change / Western Union counter ([SBB customer identification](#))
- Swiss Post ([yellow identification](#))
- Internal Identity Checkpoint (LRA Local Registration Authority Partner)  
(only possible with appropriate contractual agreement between organization and QuoVadis)

A well legible color copy of the official identity card is made and signed at the identity checkpoint. The **identity card** must be copied on **both sides**.

Eligible applicants will be able to download a voucher for a free identification confirmation by an SBB or Post Office [HERE](#).

New customers or customers for which the vouchers are explicitly part of the contract are **entitled** to do so.

### Step 2: Online identification

Applicants who have their personal identification confirmed by SBB, Swiss Post or an LRA partner of QuoVadis Trustlink Schweiz AG, must additionally go through an online identification. How to proceed as well as further information can be found at [User identification ZertES](#).

The identity check in Step 1 as well as Step 2 requires a **passport or identity card** authorizing entry into Switzerland. No driver's licenses or residence permits can be accepted.

Both Step 1 and Step 2 must be successfully completed in order for the identity to be confirmed and finally for a certificate to be issued.
