1 – Required documents for the applications

For certificates with organization entry

- Identity check of the applicant (according to 2 - Identity Check)
- Confirmation of the certificate application by a company representative (persons authorized to sign, according to the entry in the Commercial Register)
- Current excerpt from the commercial register or similar official document that officially confirms the existence of the organisation

For private persons (without organization entry)

- Identity check of the applicant (according to 2 - Identity Check)

2 – Identity check

Step 1: Receive e-mail invitation online identification.

Within approximately 5 working days after we receive this application form, you will receive an e-mail invitation to perform a necessary online identification. The e-mail has the sender "no-reply@digicert.com" and the subject "Verify your Identify with Autolident". If you have not received the e-mail within 10 working days (please check your spam folder) or the invitation is no longer valid, please inform us (qv.register.ch@digicert.com).

Step 2: Online identification using a smartphone app

Have your valid passport or ID card ready and follow the instructions in the email. Online identification takes about 3 minutes and can be gone through at any time, 24h, 7 days.

Step 3: Certificate issuance

After the successfully completed online identification, the issuance process takes place based on the selected product. You will be informed by e-mail about the provision (and commissioning) of the product.

A detailed description and further information can be found under [User identification ZertES](#).

The identity verification requires a passport or identity card authorizing entry into Switzerland. No driver's licenses or residence permits can be accepted. A list of approved documents can be found [HERE](#).

3 – Send documents to QuoVadis
